By Tube:

We are close to Holborn Station which is on the Picadilly and Central Lines. Please turn right out of the side exit of Holborn Station onto High Holborn. Then take the second left onto Red Lion Street, and then the first right onto Sandland Street. Bedford Row is the next turning on the left.

From Heathrow Airport:

Take the Picadilly line directly from Heathrow to Holborn Station and follow the above directions.

From Gatwick Airport:

Take the Gatwick Express train into Victoria Station (approx 35 minutes). From Victoria Station you may take the Victoria Line to Oxford Circus and change onto the Central Line for one stop to Holborn.
