ENVIRONMENTAL CLEARANCE CERTIFICATE ISSUED

PEL 82 EXPLORATION DRILLING PROJECT WALVIS BASIN, OFFSHORE NAMIBIA

Urban Dynamics Africa (Pty) Ltd, as the Stakeholder Engagement Consultant, wishes to inform registered Interested and Affected Parties (I&APs) that the Environmental Clearance Certificate (ECC) for **Chevron Namibia Exploration II Limited's** proposed exploration well drilling activities in PEL 82 has been issued by the Ministry of Environment, Forestry and Tourism (MEFT). The ESIA was undertaken by **ERM**, with **Urban Dynamics Africa** responsible for the stakeholder engagement process.

Example of MODU drillship and activities associated with the drillship

Thank you for your participation in the ESIA and stakeholder engagement process.

Dear Interested and Affected Party,

We would like to thank all Interested and Affected Parties (I&APs) for their participation throughout the Environmental and Social Impact Assessment (ESIA) process and for the comments, questions and inputs provided during the stakeholder engagement process.

Please find the Environmental Clearance Certificate (ECC) attached for your information and records.

Registered I&APs are advised of their right to appeal the decision in accordance with the provisions of the Environmental Management Act, No. 7 of 2007 and the Environmental Impact Assessment Regulations, 2012.

Should you require any further information regarding the stakeholder engagement process, please feel free to contact us.

Kind regards,

PROJECT PARTIES
